**BE A SOLDIER  
FOR A DAY!**

Ever wondered what it would be like arming TNT on a fuel tank whilst under enemy fire or maybe capturing the flag and being the hero for the team is more up your street? Whatever your age or fitness level and whether you're a seasoned shooter or first timer, we have just the day's activity for you.

We are the perfect activity for large groups, with a few mates, the family or even on your own! Redhills Airsoft is located just 50 minutes from Dublin city centre just off the M7 near Kildare Village outlet mall.

Dressed a bit like John Rambo or GI Jane, you will take part in a number of really fun combat games - we liken it to real life Call of Duty! Airsoft is in some ways similar to paintball - but we reckon it's much more fun and it's cheaper! If all that sounds way too complicated, then never mind, simply take aim and hone your shooting skills in an action packed, adrenalin fuelled day's fun in the outdoors! With plenty of manmade and natural cover, hard ground and shelter, we cope with all sorts of weather. We are open Sundays all year round!

So what are you waiting for -  
Contact us today for more info and become a soldier for the day!

After your day of activity its then on to The Church Bar and Restaurant for refreshments. The renovated Church on Jervis Street is one of Dublin's most unique and popular venues with over 600,000 visitors a year! Unwind with drinks, great Irish food and traditional Irish music whilst enjoying views of the beautiful stained glass window and organ that was played by Handel.
